Dear Friends and Neighbors,

The families of both Michael Western and Daniel Distefano are proud of the achievements the Foundation has accomplished thus far. In less than two years, the Foundation has awarded seven Smithtown High School seniors from both East and West who demonstrated exemplary character, scholarships to further their education. These achievements could not have been made possible without the generosity and kindness from community members like yourself.

Today we are excited to announce the next stage in the "Rock Garden". The garden was constructed in the rear commons area at Smithtown High School West a little over a year ago. Along with many friends and family the crumbling walls of the planter boxes and the cracked concrete patio were reconstructed and given back to the students as a safe place to spend some time.

The pavers that are in place in the courtyard are now available to be engraved. The cost for each brick is \$75.00. We ask that there be no "in memory of" added to the inscription.

Some suggestions: FAMILY NAME - *Song / poem title - Congratulations - Best wishes*

Each brick can accommodate 3 lines of 15 characters (that includes spaces). Please see the brick ordering form and if interested please complete the form and mail it to the address above. The deadline for placing orders is November 15, 2010. The bricks will be engraved for the upcoming graduation of **2011**. Please check the website for updated information thought out the year.

Your support is greatly appreciated by the Foundation which enables us to give back to our community and build a brighter future for our children.

*Sincerely,*

The Daniel Distefano & Michael Western Scholarship Committee
